1 K. McCABE - 4/6/17

2 BY DR. GREER:

3 Q. Mr. McCabe, are you under oath?

4 MR. TREMONTE: Dr. Greer, that's  
5 harassing. I'm going to instruct the witness  
6 not to answer. Next question.

7 BY DR. GREER:

8 Q. Did you, Kevin McCabe, ever become  
9 concerned about Steven Greer, my behavior during any  
10 BPCA board meetings and concerned enough to justify  
11 you not letting me in to subsequent meetings?

12 MR. TREMONTE: Objection.

13 A. Yes.

14 BY DR. GREER:

15 Q. When did this behavior take place?

16 MR. TREMONTE: Objection.

17 A. I believe it was the June 9 meeting of  
18 2015 where you repeatedly refused to leave the room  
19 when we adjourned for executive session and only did  
20 so when I threatened to call the police.

21 BY DR. GREER:

22 Q. Did you make any reports to Brookfield  
23 Security or the police department of New York City?

24 A. Subsequent to that meeting, the chairman,  
25 Mehiel, directed Brookfield to ban you from our

1 K. McCABE - 4/6/17

2 offices at all times, again given your abusive and  
3 disruptive behavior.

4 Q. Abusive and disruptive are very broad. Be  
5 specific. What exactly was abusive or disruptive?  
6 What exactly did I do?

7 MR. TREMONTE: Objection.

8 A. Generally I know of several instances  
9 you've called and harassed staff. One in particular  
10 that I recall is hearing that you called Seema Singh  
11 directly at her office and called her a cunt.

12 BY DR. GREER:

13 Q. Is that -- we'll get to that in a second.  
14 That wasn't my question.

15 During this June 9, 2015, meeting where  
16 you claim that was the incident that motivated  
17 Chairman Mehiel to ban me from the offices, what  
18 exactly did I do?

19 MR. TREMONTE: Objection.

20 A. You interfered with the course of business  
21 with the board conducting executive session by  
22 refusing to leave the board --

23 BY DR. GREER:

24 Q. How?

25 MR. TREMONTE: Objection.

1 K. McCABE - 4/6/17

2 you know, hear any -- anything further until --  
3 until executive session is over.

4 Q. But tell me if I'm correct. You're  
5 describing, on June 9, that I refused to leave the  
6 public board meeting when you went into executive  
7 session, that I was standing in the boardroom, it  
8 was not filmed, and that you and I did not come into  
9 physical contact?

10 MR. TREMONTE: Objection.

11 BY DR. GREER:

12 Q. Is that correct?

13 A. No, you were welcome to attend the public  
14 board meeting. You were asked to leave during the  
15 private executive session.

16 Q. No, that wasn't the question.

17 Once I allegedly refused to leave the  
18 executive session, is it correct that you're saying  
19 I was standing, refusing to leave, and that you and  
20 I never touched one another?

21 MR. TREMONTE: Objection, asked and  
22 answered.

23 A. I answered that already.

24 BY DR. GREER:

25 Q. You can either reply and answer it again,

1 K. McCABE - 4/6/17

2 or we can go through the laborious process of having  
3 them reread the transcript.

4 MR. TREMONTE: Objection.

5 BY DR. GREER:

6 Q. You misunderstood the --

7 A. Can you repeat the question?

8 Q. -- question before. Yes. Exactly. You  
9 didn't understand it before so that's why I'm  
10 repeating it.

11 I'm trying to detail the exact series of  
12 events that happened after the public session ended  
13 and the executive session was to begin and you  
14 claimed that I refused to leave and you claim --  
15 what is that noise?

16 And you claimed that you had to threaten  
17 to call the police or security and so forth. I want  
18 to know what physically you and I were doing, how  
19 far apart were we, did we punch one another,  
20 et cetera? How did that happen?

21 MR. TREMONTE: Objection. Dr. Greer, I  
22 think that might be the most compound question  
23 I've ever heard.

24 You may answer it.

25 DR. GREER: Okay.

1 K. McCABE - 4/6/17

2 A. Let me begin answering by explaining the  
3 process when we adjourn for executive session.

4 As I -- on June 9, as I do during every  
5 meeting, I clear the room of folks who are not a  
6 part of the executive session discussion. You were  
7 the remaining attendee that was still in the room  
8 that would refuse -- that was standing at the head  
9 of the table opposite Mr. Greer -- I mean  
10 Mr. Mehiel.

11 And as I -- we were very close. I'd say,  
12 you know, directly -- directly right next to each  
13 other, and I asked you to leave. And I said, "Do I  
14 need to call the police? Do I need to call the  
15 police? Do I need to call the police?" And only  
16 when I instructed our receptionist to call the  
17 police did you leave.

18 So we were --

19 BY DR. GREER:

20 Q. Did I ever -- continue.

21 A. So that's it. We were right next to each  
22 other and that's how the events happened.

23 Q. Did I strike you or punch you?

24 MR. TREMONTE: Objection, asked and  
25 answered.

1 K. McCABE - 4/6/17

2 MR. TREMONTE: Objection.

3 A. Again, given your behavior, we always made  
4 it a point to document interactions with you as a  
5 matter of practice.

6 BY DR. GREER:

7 Q. So you're being very vague and I can't pin  
8 you down. You're saying that I had this vague  
9 behavior problem, but I can't even determine whether  
10 it was from people coming to you and personally  
11 telling you about it or whether it was from some  
12 handwritten log. I've gotten no details.

13 MR. TREMONTE: That's not a question.

14 BY DR. GREER:

15 Q. Can you give me some details?

16 MR. TREMONTE: Objection to form. Details  
17 about what?

18 DR. GREER: What I just said in the  
19 previous sentence, Mr. Tremonte. You're  
20 wasting everybody's time.

21 MR. TREMONTE: Objection. There's not an  
22 intelligible question pending. I instruct you  
23 not to answer.

24 BY DR. GREER:

25 Q. All right. Let me ask it again.

1 K. McCABE - 4/6/17

2 You claim that in addition to the June 9  
3 incident where I refused to leave a meeting, that on  
4 top of that I had exhibited, quote/unquote, abusive  
5 behavior to justify you then banning me from public  
6 meetings. I want to know what this behavior was,  
7 quote/unquote, and how you knew about it.

8 Did you know about it because you saw it  
9 yourself? Did you know about it because a witness  
10 came to you? Do you know about it because of a  
11 handwritten law?

12 MR. TREMONTE: Objection. That's now the  
13 most compound question I've ever heard.

14 You can answer.

15 A. I don't recall specifically every single  
16 incident. But again, now and again, the talk in the  
17 office would be their interactions with you as they  
18 occur.

19 With -- personally myself, at the May 2015  
20 community board meeting where I ignored you and I  
21 did not respond to your question, you became upset  
22 at that and sat next to me and leaned your shoulder  
23 into me and said, "Do you have a problem?" That's  
24 another instance.

25

1 K. McCABE - 4/6/17

2 BY DR. GREER:

3 Q. Okay. That instance you just described in  
4 May, what building did that take place in?

5 A. I don't remember specifically. I believe  
6 1 Centre Street or wherever the community board used  
7 to hold their offices. Not at the Battery Park City  
8 office.

9 Q. So that did not take place during a BPCA  
10 board meeting; is that correct?

11 A. Correct. That was a Community Board 1  
12 Battery Park City committee meeting.

13 Q. Now, regarding the -- as you very vaguely  
14 nebulously described abusive behavior, this is your  
15 opportunity on the record to tell me: Did they take  
16 place during a board meeting or not?

17 MR. TREMONTE: Objection.

18 If you can make sense of that -- actually,  
19 no. I can't make sense of it. Pose a new  
20 question that's understandable.

21 BY DR. GREER:

22 Q. So far, Mr. McCabe, you've listed one  
23 incident on June 9 where I refused to leave as a  
24 reason for Mr. Mehiel banning me from meetings.  
25 Then you gave a vague explanation of abusive

1 K. McCABE - 4/6/17

2 attended by more than a hundred other people, you  
3 call that abusive and disruptive; is that correct?

4 MR. TREMONTE: Objection, misstates the  
5 witness's testimony.

6 BY DR. GREER:

7 Q. Mr. McCabe?

8 A. Yes.

9 Q. Okay. Thank you.

10 You've already acknowledged that Dennis  
11 Mehiel ordered me to be banned. I was going to ask  
12 that. You've already answered that.

13 In the course of preventing me to coming  
14 to board meetings from 2014, 2015, 2016, did you  
15 alert numerous people, you or The Battery Park City  
16 Authority, were people like Brookfield Properties  
17 Security or even the NYPD informed that I was a  
18 security threat?

19 MR. TREMONTE: Objection.

20 A. Again, based on Dennis's indication from  
21 following the June meeting, I would interact with  
22 Mulligan Security, who manages security on  
23 Brookfield's behalf, yes.

24 BY DR. GREER:

25 Q. And how would you tell them to not let me

1 K. McCABE - 4/6/17

2 in, for what reason? How did you describe the  
3 reason to these third parties to not let me in? Was  
4 it because I was a mass murderer or because I was  
5 something less than that?

6 MR. TREMONTE: Objection. It's berating  
7 on top of not being a proper question.

8 Go ahead.

9 A. It was solely based on your consistent  
10 hostile behavior.

11 BY DR. GREER:

12 Q. Okay. Let me ask it this way: In e-mails  
13 or phone calls, when you told Brookfield Security or  
14 Mulligan Security "do not let me in," they must have  
15 asked why. How did you explain the reason for this?

16 MR. TREMONTE: Objection.

17 A. Consistent hostile behavior.

18 BY DR. GREER:

19 Q. Are you aware that the security staff of  
20 Mulligan man the gates before you walk up into the  
21 elevators to the offices of the BPCA -- they're on  
22 the main floor. Are you aware that they were  
23 telling me, on video, that the BPCA's decision to  
24 not let me in was silly and they didn't understand  
25 it at all? Are you aware of that? It's on video.

1 K. McCABE - 4/6/17

2 BY DR. GREER:

3 Q. Exhibit 3 was a note I obtained at the  
4 same time on April 13 and I have video evidence of  
5 that. It discusses this overflow room. Let's  
6 discuss the overflow room.

7 First of all, this note, that handwritten  
8 note, did you see it? Were you aware of it? Did  
9 you write it? Who wrote it?

10 So this note, do you recognize that  
11 handwritten note? That's my question.

12 A. No.

13 MR. TREMONTE: Objection.

14 A. No.

15 BY DR. GREER:

16 Q. Regarding this whole plan to set up video  
17 overflow rooms or what Serpico said you called the  
18 off site, was that ever -- was that off site ever  
19 set up before, you know -- how many -- when did that  
20 off-site video overflow room program begin; do you  
21 recall?

22 MR. TREMONTE: Objection.

23 A. Yes, I believe it was the meeting -- the  
24 July 2015 meeting.

25

1 K. McCABE - 4/6/17

2 BY DR. GREER:

3 Q. Was it set up specifically as a way to  
4 keep me out of the meetings?

5 MR. TREMONTE: Objection.

6 A. No. The chairman's instruction already  
7 kept you out of the meeting. I think we were  
8 cognizant of your interests to watch the meeting.  
9 So we provided an off-site location for any -- for  
10 you to view that, if you wished to do so.

11 BY DR. GREER:

12 Q. Did you ever tell Brookfield property  
13 employees that the video overflow room was set up  
14 specifically for me, as you just described? I'm  
15 paraphrasing what you just said. Did you ever tell  
16 anyone at Brookfield or the NYPD that that was the  
17 reason for the overflow room?

18 MR. TREMONTE: Objection. Objection. I  
19 mean, you -- you can't, in an argumentative  
20 fashion --

21 DR. GREER: "Objection," that's all you're  
22 allowed to say, Mr. Tremonte. "Objection."

23 MR. TREMONTE: -- summarize the witness's  
24 testimony. Please ask another --

25 DR. GREER: Objection, that's all you're

1 K. McCABE - 4/6/17

2 discussion or a matter of interest, as you described  
3 it? Why?

4 MR. TREMONTE: Objection.

5 A. Given your consistent hostile and abusive  
6 behavior, you were a matter of interest.

7 BY DR. GREER:

8 Q. How did the BPCA become aware of my  
9 apartment lease? Who informed the BPCA that my  
10 lease was not being renewed?

11 MR. TREMONTE: Objection.

12 A. I don't know.

13 BY DR. GREER:

14 Q. You heard it from someone.  
15 You don't recall who?

16 MR. TREMONTE: Objection.

17 A. No, I don't recall.

18 BY DR. GREER:

19 Q. Does The Battery Park City Authority have  
20 any ability, to your knowledge, to directly affect,  
21 A-F-F-E-C-T, direct the impact or affect a  
22 residential lease, doing that unilaterally without  
23 the assistance of the building owner?

24 MR. TREMONTE: Objection.

25 A. No, not to my knowledge.

1 K. McCABE - 4/6/17

2 BY DR. GREER:

3 Q. If an executive like Serpico, Shari Hyman,  
4 Dennis Mehiel wanted to vacate an apartment, would  
5 they have the power or authority to do that without  
6 the cooperation of the building owner?

7 MR. TREMONTE: Objection.

8 A. No, not that I'm aware of.

9 BY DR. GREER:

10 Q. Do you know who Howard Milstein is?

11 A. Yes.

12 Q. Have you ever met him in person?

13 A. Yes.

14 Q. Was that meeting in The Battery Park City  
15 Authority offices or somewhere else?

16 MR. TREMONTE: Objection.

17 A. Somewhere else.

18 BY DR. GREER:

19 Q. Was it for official business purposes that  
20 you met Howard Milstein or was it for a charity  
21 fundraiser or something like that?

22 MR. TREMONTE: Objection.

23 A. Official business.

24 BY DR. GREER:

25 Q. Did it take place within Battery Park
